

And believing that
he knows what we need.

Circle the things we need and then match the
pictures with the words.

Faith

Faith is believing
that God is with
you, and always
wants to help.

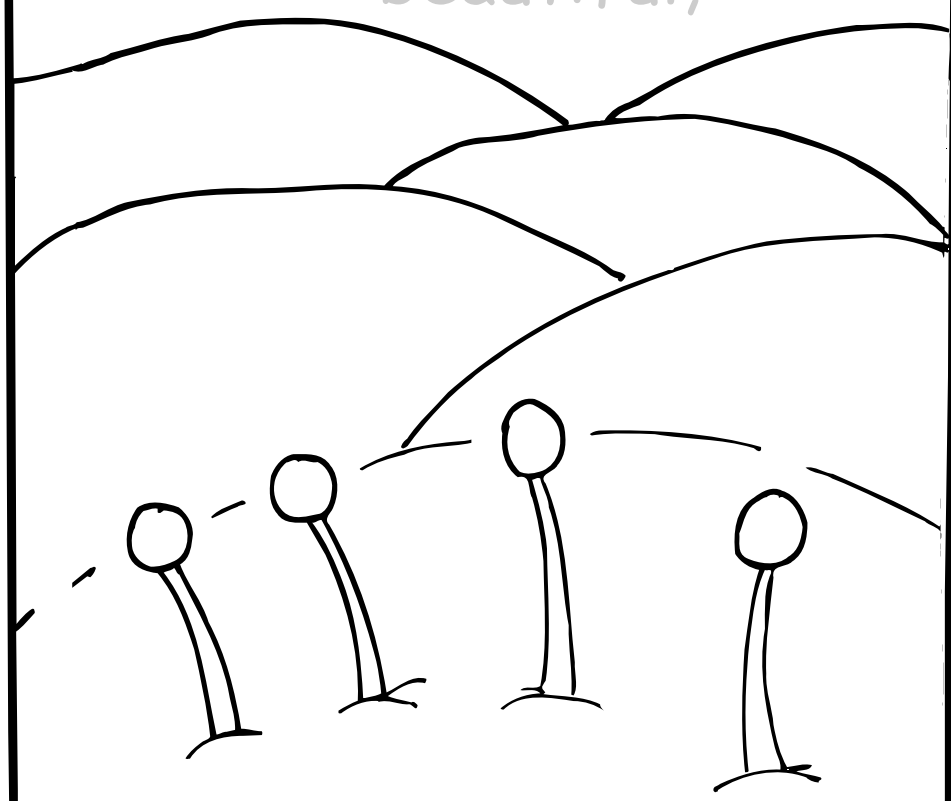

And believing that there is a loving reason for everything, even if you don't understand it.

Match the things that go well together.

And believing that God made the world beautiful,

Fill the hills with pretty flowers.

to show his great love.
