James 1:17-18

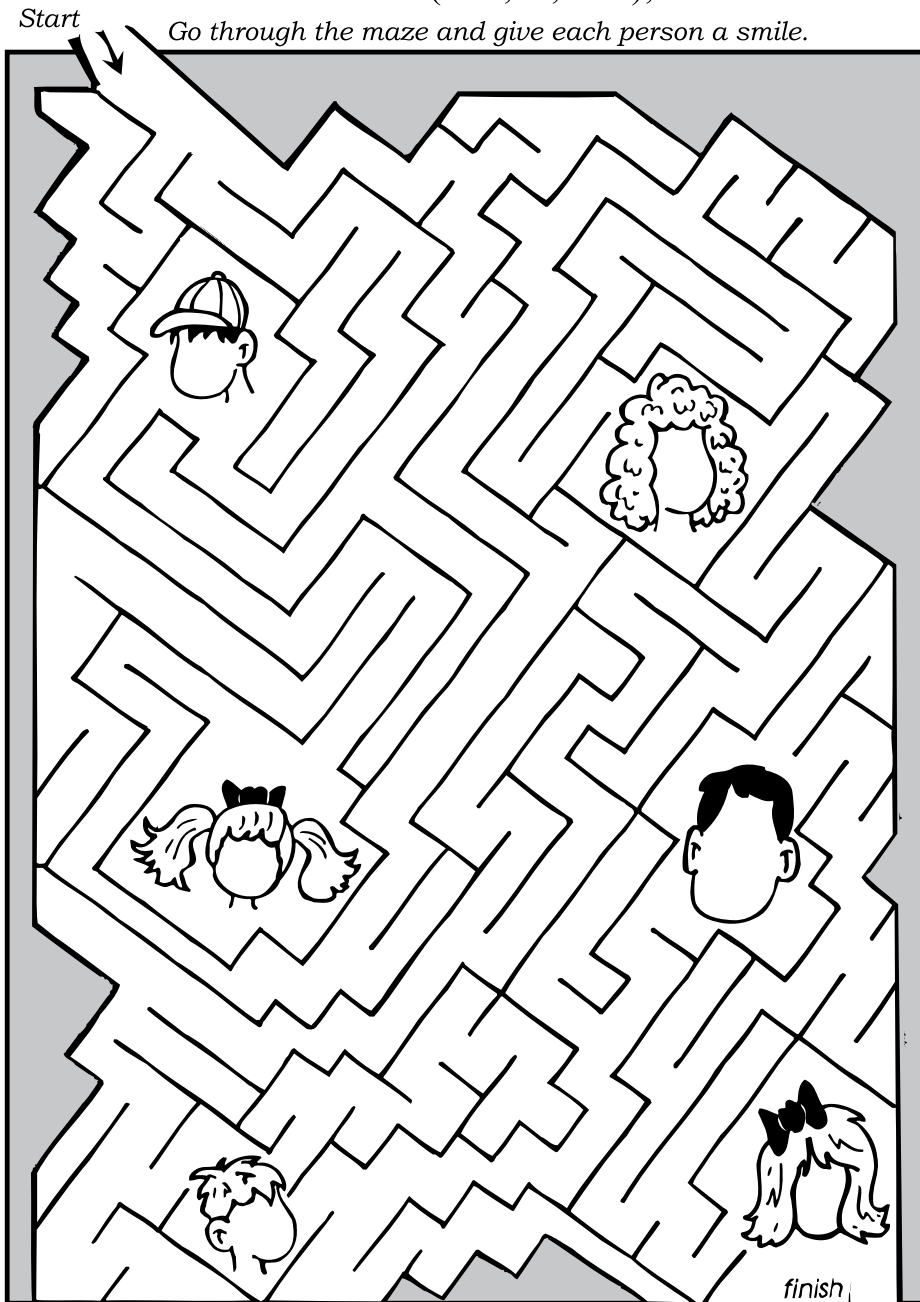

Jesus friend
James wrote:

All good giving and
all good gifts come
from God, the
Father of lights, who
never changes.

Gifts . . .

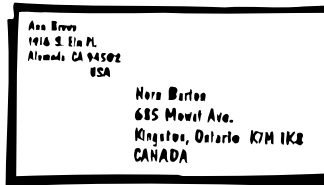

God gave you a heart,
To love and to (beat, in, care);

Go through the maze and give each person a smile.

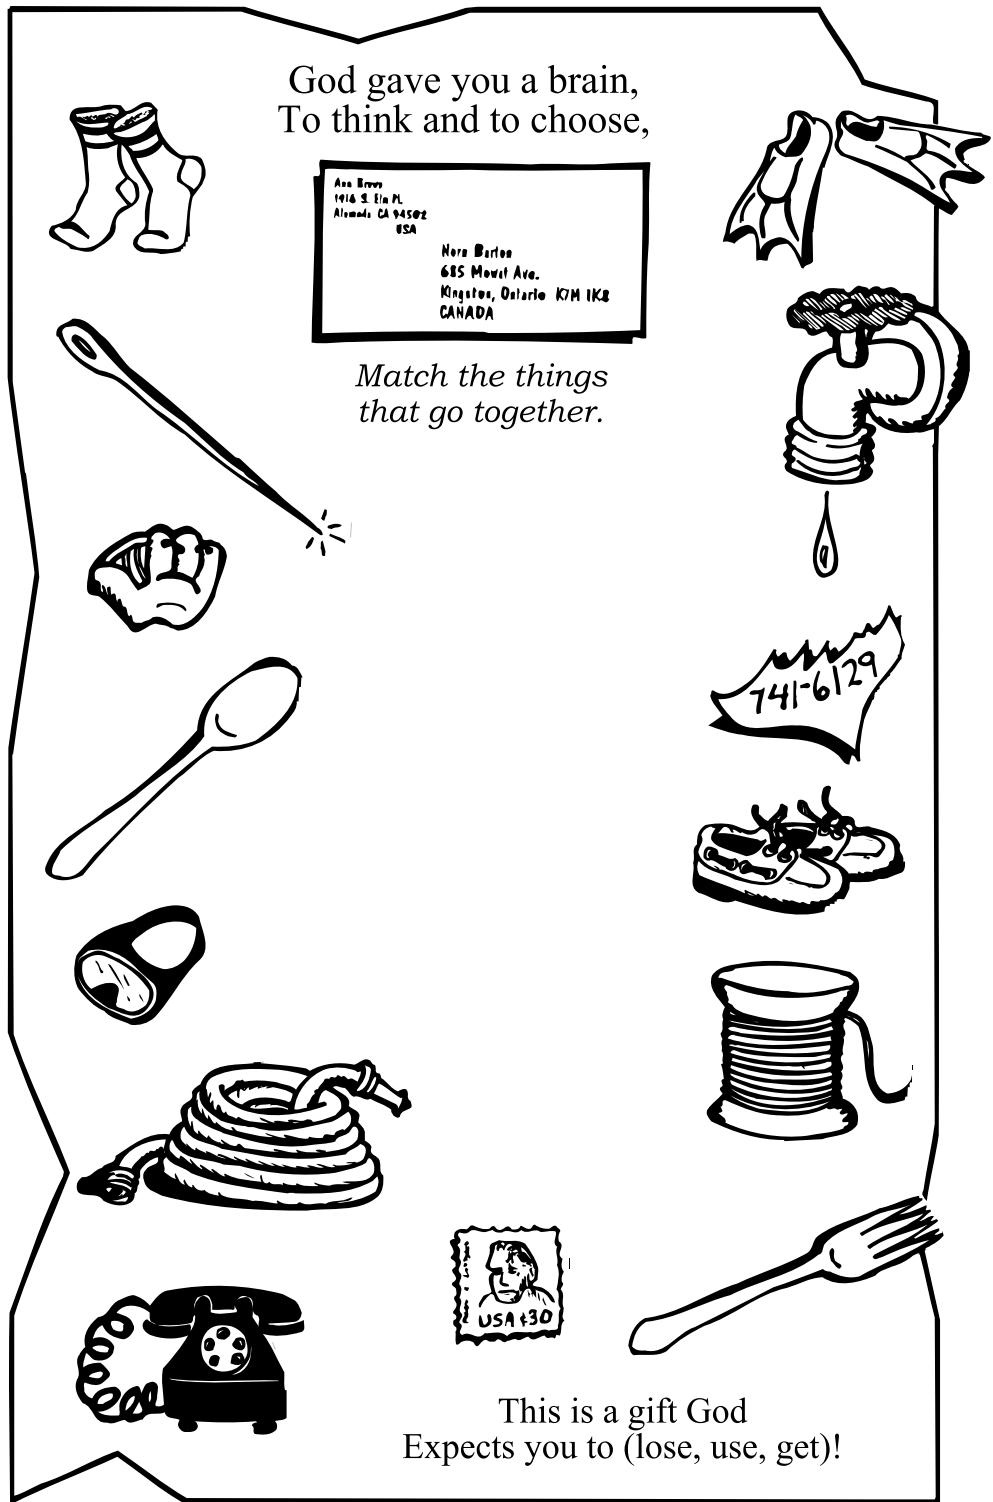

This is a gift
God expects you to (keep, share, go)!

God gave you a brain,
To think and to choose,

Match the things
that go together.

This is a gift God
Expects you to (lose, use, get)!
