

Love the things that last forever;
And then no one can steal your treasure.

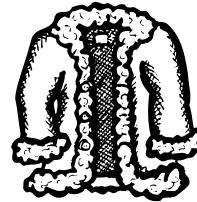

God wants us to love the right things,
the things that last forever. Color the
hearts that lead to these things.

Finding Treasure In Heaven

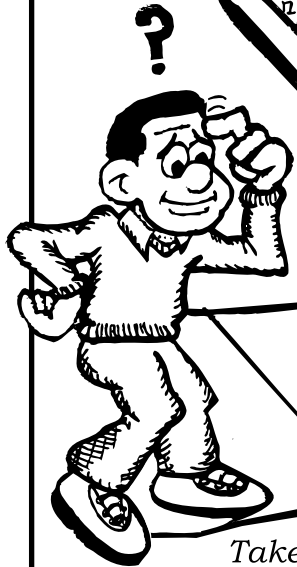

Treasure
hunting
can be
fun.

You'll find
it when
you help
someone.

Match the people with the things they need.

Treasure on earth will pass away,
but treasure
in heaven
is there
to stay.

It's okay
to pass
under
bridges.

Take him to his
treasure in heaven.

Take the thief
to all the money
places. Can he
get to the treasure
in heaven?
