

But remember:  
The King expects the best of *(food, pants, you)*,  
In what you say and what you *(nose, do, kick)*;  
Of course, you already know that, since  
You are a princess . . . or a prince.

*Draw yourself as a prince or princess.*

# Little Kidsword

Luke 20:36/2 Thes. 2:13

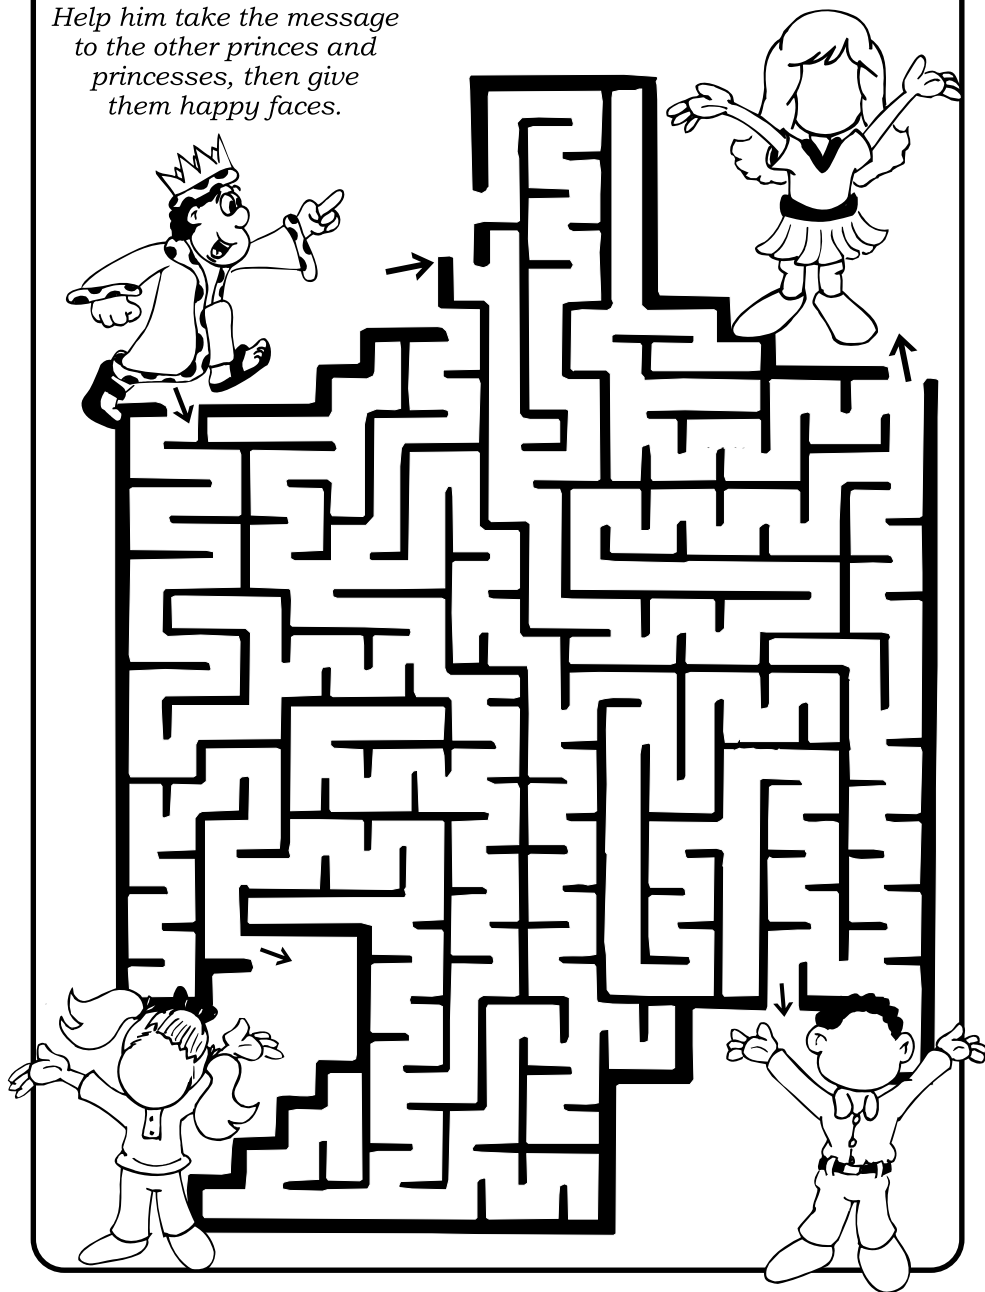

A prince . . . or a princess,  
which one are you?

Yes, you are!  
God says it's true.

Some kids have forgotten,  
Or maybe just don't know,  
That they're princes and princesses . . .  
Maybe you will tell them so!

Help him take the message  
to the other princes and  
princesses, then give  
them happy faces.

And King's kids live forever,  
The King himself has (*said, go, up*),  
"I will never, never leave them;  
I'll raise them from the (*soup, bed, dead*)!"

Circle the best words to finish the lines, above.
