Little Kidsword

Mark 1:40-45

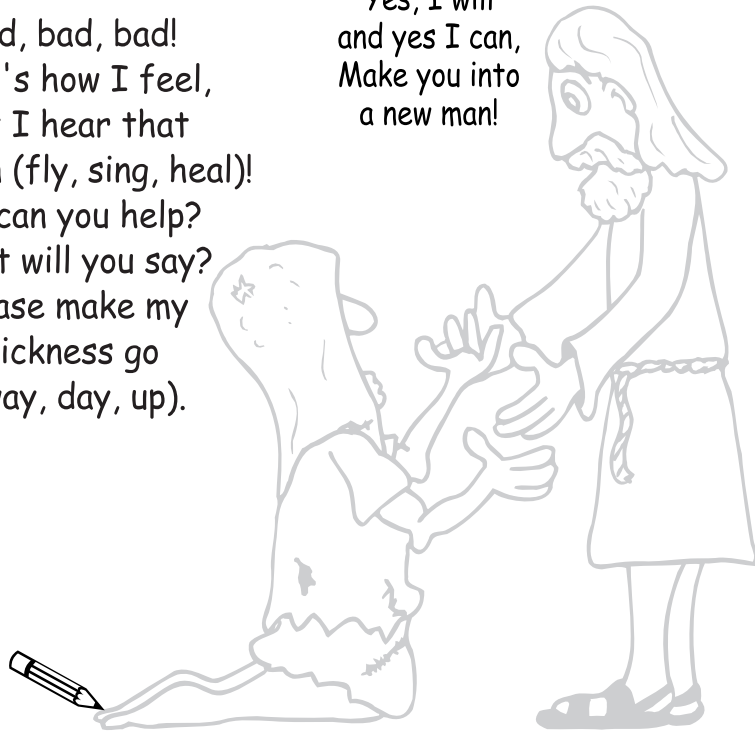

I was very, very sick,
I was very, very sad,
But now I'm well,
And now I'm (go, glad, in)!

Circle the best word.

Bad, bad, bad!
That's how I feel,
But I hear that
You can (fly, sing, heal)!
So, can you help?
What will you say?
Please make my
Sickness go
(away, day, up).

Yes, I will
and yes I can,
Make you into
a new man!

You are healed,
But do not tell
Anyone how
You got
(food, well, bell).

I'll try, but that
Is hard to do;
I want to tell
The world of
(you, new, cats)!
I like to talk,
I want to tell
Everyone who
Made me
(good, well, grow)!

*Draw lots of
people
listening to him.*

I tried to keep the news inside,
But news like this, I just can't (eat, hide, sell)!
Jesus, Jesus set me free!
If he asks who told you
Don't say (you, him, me)!
