Elijah
the prophet lived
over eight hundred
years before Jesus. He
performed many miracles
by the power of God's Spirit.
His story is found in the books
of First and Second Kings, in the
Bible. When Elijah's work on earth
was done, God took him away in a
whirlwind.

Take Elijah through
the whirlwind maze.

They wondered, "Where is Jesus?"

3

While they wondered all these things,
And trembled with great (*bones, fear, cold*),
How could they have even guessed
That Jesus would (*appear, go, sneeze*)?

4

But he wasn't on a boat,
A raft, or boogie (*goggles, board, bugs*);
He was walking on the waves,
He can do that—He's the (guy, king, Lord).
