

Most of all,  
we should . . .

Color the spaces  
that have dots.

# Little Kidsword

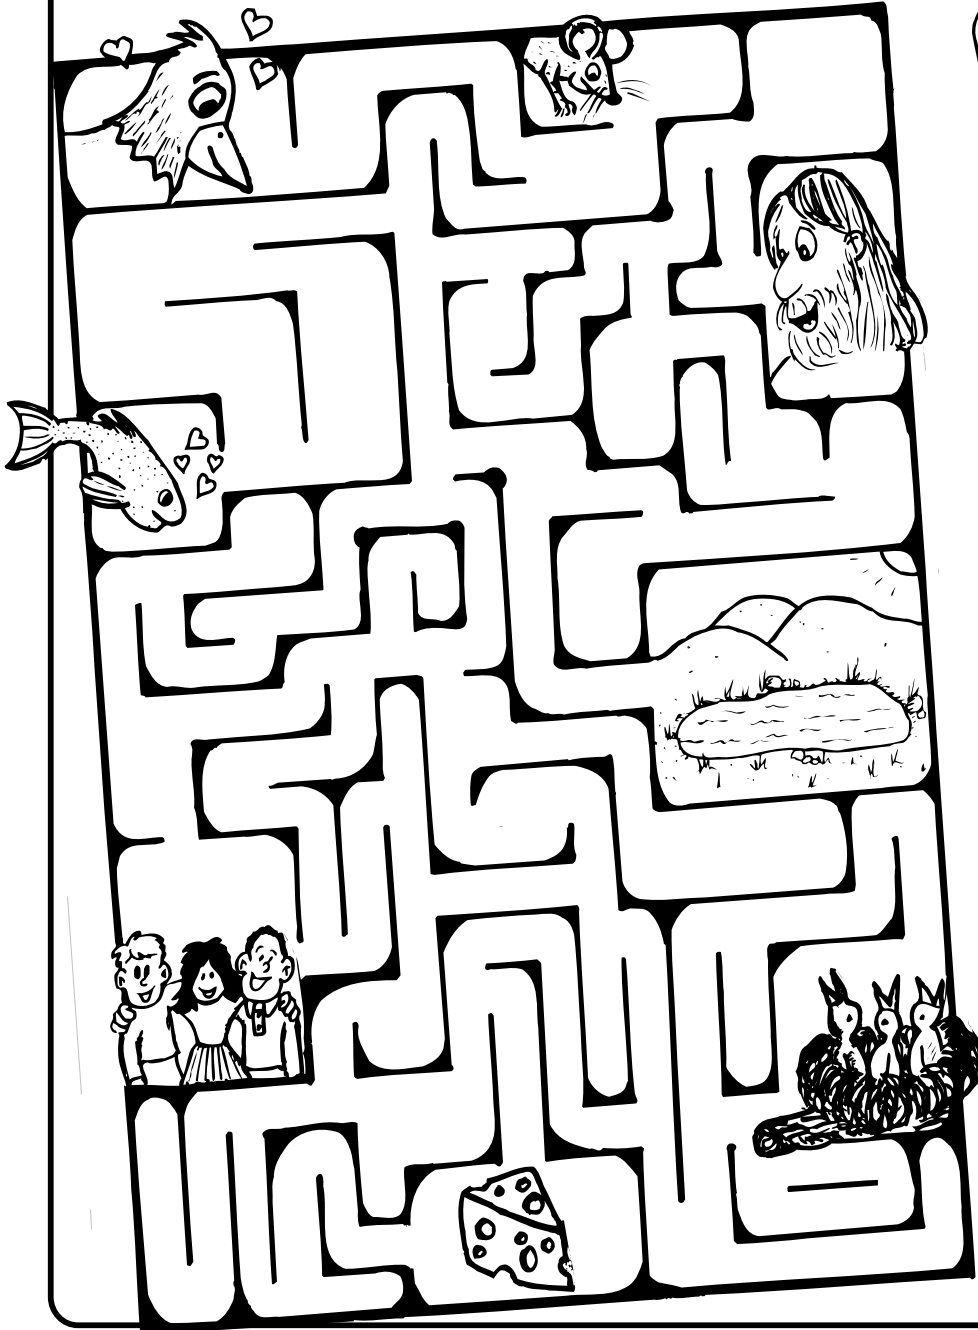

Matthew 10:34

People love all kinds  
of things!

Match them with  
the things they  
say they love.  
Give them faces.

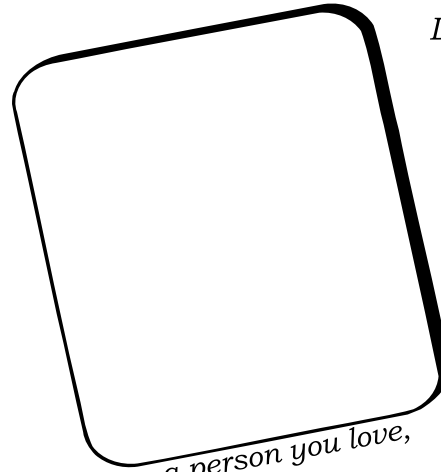

Take them to the things they love.

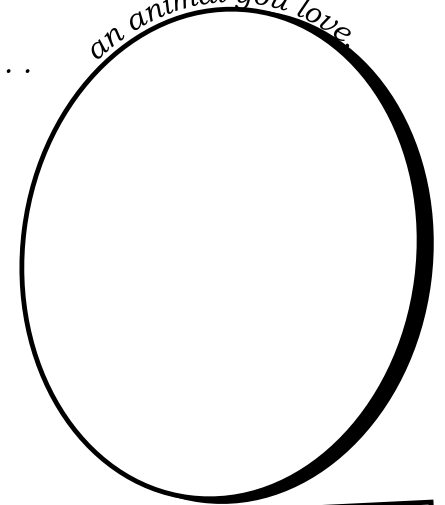

What do you love?

Draw . . .

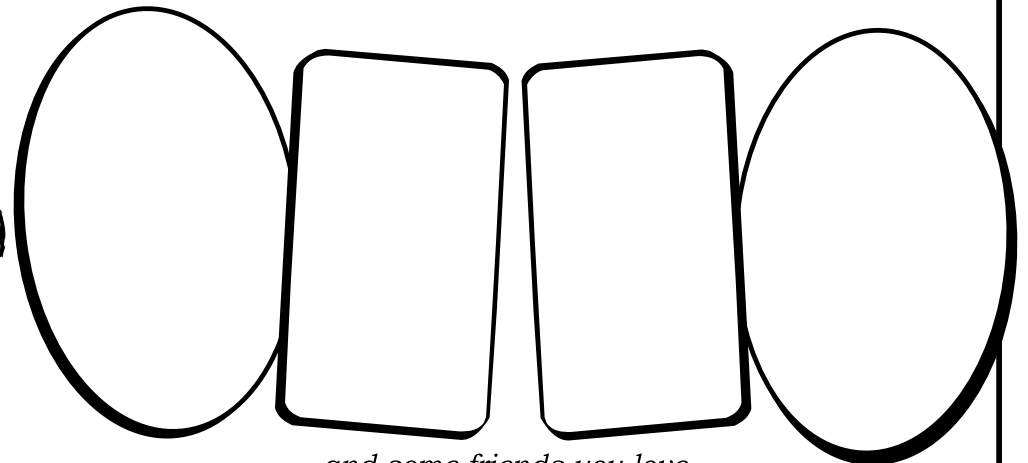

*an animal you love*

*a person you love,*

*a place you love,*

*and some friends you love.*
