Matthew 11:2-11

YOU OUT JOHN TO SENT  
CHECK US. OR NOT YOU  
GOD FROM ONE THE ARE?

Unscramble  
their words.

WHAT TELL GO YOU  
SEEN HAVE JOHN...

The rose is a symbol (a symbol is something that is used to remind us of something else) of *Advent*. Advent is the time of year before Christmas, when we think about Jesus coming. The rose is a perfect, beautiful flower. The world will be perfect and beautiful when Jesus returns.

When a farmer  
plants his seeds  
and waits for them  
to grow,  
it may seem to some an  
eternity, but  
not to him. He knows  
pumpkins take time  
merging

From even fertile soil,  
But given warmth  
And sun and rain  
They will repay his toil.

Put the missing letters in  
the boxes, and see what  
words they spell,  
going down.

James 5:7-10

Our lives are like  
The farmer's fields  
waiting in the sun, for  
all the good that comes  
in time, once  
the farmer's work is done.

Be as honest  
As tender  
And as  
as the soil,  
as the rain,  
we be bright and true  
giving as the grain;

Be as hopeful as  
a sprout,  
For harvest time will come;  
And with it peace and  
Grace and good and  
God's beloved son.
