

**THE KINGDOM OF HEAVEN** is like a net that is put down into the sea, bringing in every kind of fish.

*Draw a different kind of fish in every square of the net. Use your imagination and make them like different kinds of people.*

Matthew 13:31-49

Jesus said: **THE KINGDOM OF HEAVEN IS LIKE . . .**

. . . a woman who put yeast in some dough to make bread.

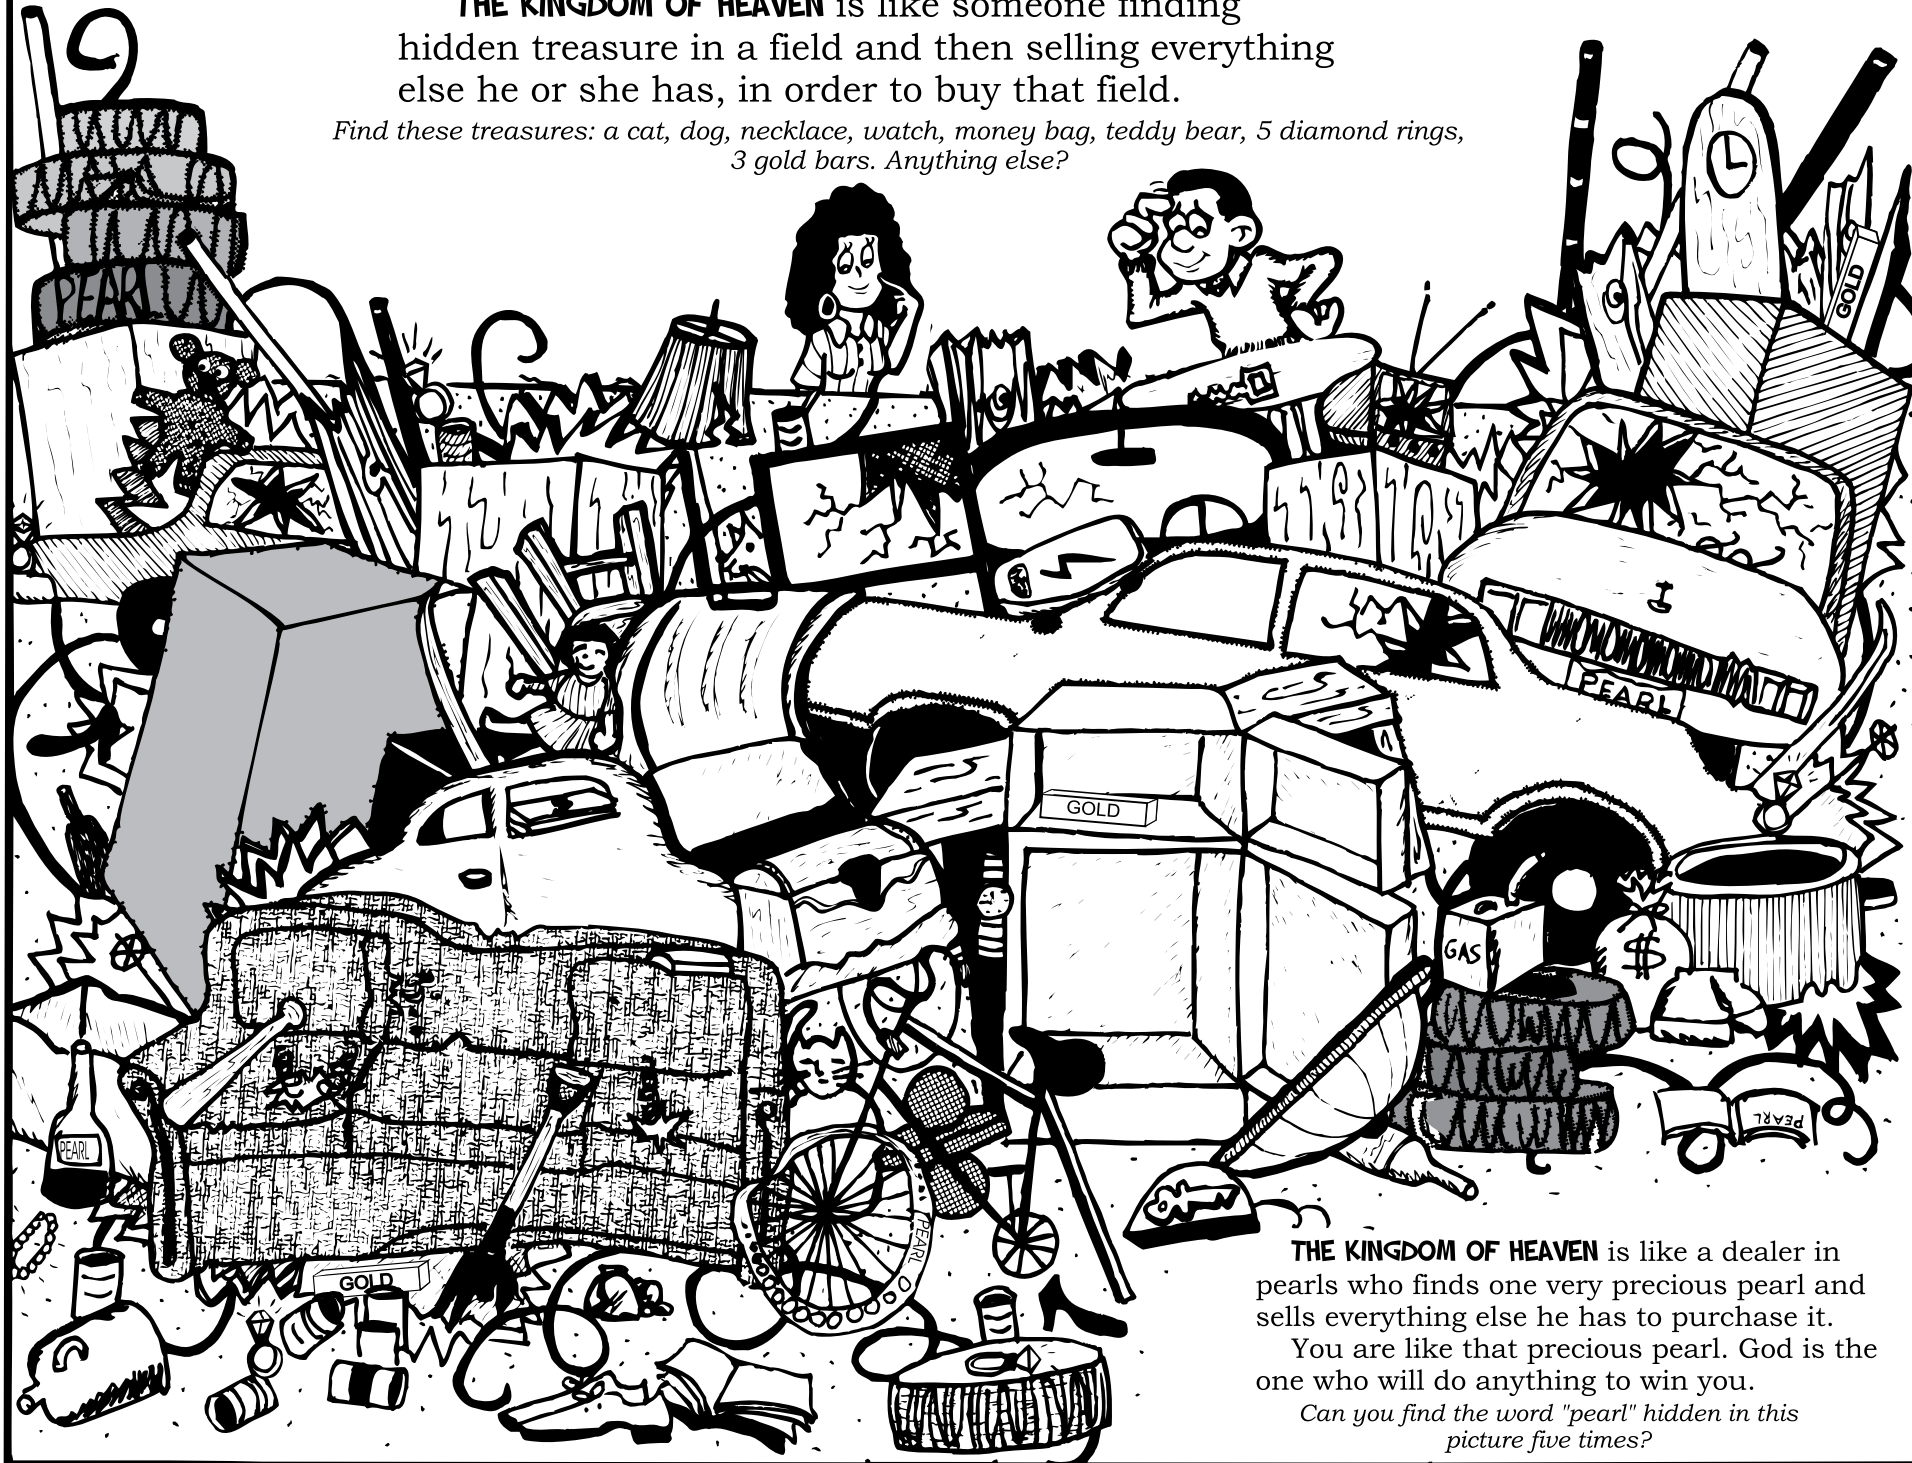

*Fill this loaf with yeast! Connect every dot in the loaf without ever lifting your pencil OR crossing any lines--either yours or the lines in the picture.*

God's kingdom started out small, like a tiny bit of yeast in bread dough. But like yeast in dough, the kingdom will grow and spread until it fills the whole world. God's kingdom grows through love and truth, not with money, guns or war.

**THE KINGDOM OF HEAVEN** is like someone finding hidden treasure in a field and then selling everything else he or she has, in order to buy that field.

*Find these treasures: a cat, dog, necklace, watch, money bag, teddy bear, 5 diamond rings, 3 gold bars. Anything else?*

**THE KINGDOM OF HEAVEN** is like a dealer in pearls who finds one very precious pearl and sells everything else he has to purchase it. You are like that precious pearl. God is the one who will do anything to win you.

*Can you find the word "pearl" hidden in this picture five times?*
